Chairman of the Board of Directors of SUEZ

Following the selection process by the Nominating, Compensation and Governance Committee, the Board of Directors of SUEZ decided unanimously in a meeting today to submit Mr. Philippe Varin's nomination as Director to the vote of the Shareholders Annual General Meeting on May 12. The Board of Directors of SUEZ will nominate, subject to approval at the Annual General Meeting, Mr. Philippe Varin as Non-Executive Chairman of the Board, replacing Mr. Jean-Louis Chaussade whose term as Chairman of the Board of Directors will end at the conclusion of the May 12, 2020, Annual General Meeting. The Board will submit to the Annual General Meeting an amendment of the company's statutes in order to allow Mr. Varin complete his mandate as Chairman during the full term of his office as Director.

Jean-Louis Chaussade stated, *"I welcome Philippe Varin's selection as the future Chairman of SUEZ provided, of course, that he will be nominated as Chairman at the Group's Annual General Meeting next May. He is a consummate industry professional who will use his experience to our Group's benefit. It is an honor for SUEZ, and for me, that he will be my successor, and, with the CEO and his team, be able to guide the Group to new successes."*

SUEZ CEO Bertrand Camus added, *"I join Jean-Louis Chaussade and welcome the Board's unanimous proposal to submit the candidacy of Philippe Varin to the Annual General Meeting. His human qualities, his industry and global experience will be a major advantage in the implementation of our strategic plan, Shaping SUEZ 2030. I am looking forward to building a team with him."*

SUEZ

With 90,000 people on the five continents, SUEZ is a world leader in smart and sustainable resource management. We provide water and waste management solutions that enable cities and industries optimize their resource management and strengthen their environmental and economic performances, in line with regulatory standards. With the full potential of digital technologies and innovative solutions, the Group recovers 17 million tons of waste a year, produces 3.9 million tons of secondary raw materials and 7 TWh of local renewable energy. It also secures water resources, delivering wastewater treatment services to 58 million people and reusing 882 million m³ of wastewater. SUEZ generated total revenues of 17.3 billion euros in 2018.
