Success of SHARING 2019, the fourth global shareholding offer reserved for SUEZ Group employees

SHARING 2019, the fourth global shareholding offer for SUEZ Group employees, is a success: employees now hold around 4% of the Group's capital and represent the SUEZ's third largest shareholder. This commitment demonstrates employees' confidence in the future of their Group.

Over 17,300 employees in the 25 participating countries signed up for the offer, including for the first time, employees from the new Water Technologies & Solutions Business Unit. The subscription rate is nearly 21%, which represents nearly 25 million euros worth of employee contributions.

Following this offer, the company's fourth since 2011, 7 million new shares¹ were issued by the Company.

"The success of the SHARING 2019 offer demonstrates our renewed collective commitment to the Group's values and its ambition at a key time for us - the deployment of our new strategic plan "Shaping SUEZ 2030"", stated Bertrand Camus, Group Chief Executive Officer.

About SUEZ

With 90,000 people on the five continents, SUEZ is a world leader in smart and sustainable resource management. We provide water and waste management solutions that enable cities and industries optimize their resource management and strengthen their environmental and economic performances, in line with regulatory standards. With the full potential of digital technologies and innovative solutions, the Group treats over 45 million tons of waste a year, produces 4.4 million tons of secondary raw materials and 7.7 TWh of local renewable energy. It also secures water resources, delivering wastewater treatment services to 66 million people and reusing 1.1 billion m³ of wastewater. SUEZ generated total revenues of 17.3 billion euros in 2018.
